

Even In The Quietest Moments

Supertramp, from the album

"Even in the Quietest Moments"

*Even in the quietest moments
I wish I knew, what I had to do
And even though the Sun is shining
Well I feel the rain --- here it comes again, Dear
And even when You showed me
My heart was out of tune
For there's a shadow of doubt that's not letting me find
You too soon*

*The music that You gave me
The language on my soul
Oh Lord, I want to be with You.
Won't you let me come in from the cold?*

*Don't You let the Sun fade away!
Don't You let the Sun fade away!
Don't You let the Sun be leaving!
Won't You come to me soon!*

*And even though the stars are listening
And the ocean's deep, I just go to sleep
And then I create a silent movie
You become the Star, is that what You are, Dear?
Your whisper tells a secret*

*Your laughter brings me joy
And a wonder of feeling I'm Nature's own little boy
But still the tears keep falling
They're raining from the sky
Well there's a lot of me got to go under before I get high!*

*Don't You let the Sun disappear
Don't You let the Sun disappear
Don't You let the Sun be leaving
No, You can't be leaving my life
Say that You won't be leaving my life
Say that You won't be leaving my life
Say won't You please, stay won't You please
Stay won't You please, stay won't You please
Lord, won't You come and get into my life
God won't You come and get into my life
Say won't You please, stay won't You please
Say won't You please, stay won't You please
O' Lord, don't go!!!
Come on, let the Sun stay ...*

Won't You Come to me ...

*And even when the song is over,
Where have I been --- was it just a dream?
And though Your door is always open,
Where do I begin --- may I please come in, Dear?*
