TO ALL FEDERAL AND STATE ELECTED & APPOINTED SERVANTS

20 This series of informations, orders and writs by We the People filed in the United States Supreme Court, the United
States District Courts, the State Supreme Courts and served upon our elected and appointed servants, when not acted
upon, forms an indictment against the same. We the People are exposing the foundational errors of our judicial
systems, errors founded on subversion and contempt of law by enemies past and present. It is expected that said
servants and all recipients understand the subject matter. All servants and recipients have authority under the law,
25 and have taken an oath to preserve, protect and defend the Constitution. Today these servants violate this sacred oath
and now lives have been destroyed and liberty hangs in the balance. Silence when you have a duty to speak or act,
advocates the present conspiracy to overthrow the Governments of the United States willfully and or knowingly.

30 **WARNING: Do not seek an interpretation by an Attorney that is not responsible for the oath you took
concerning this Information. Ignorance of the law or excuses that you were acting under advice of legal
counsel, will not be an acceptable excuse for there is nothing to interpret.**

35 The purpose of filing in ALL US Federal District Courts is because of 18 USC § 1961-68 wide spread
RICO; 18 U.S. Code § 2385 - Advocating overthrow of Government; Seditious conspiracy 18 USC §
2384 with wide spread mutilating and failing to file 18 USC § 2071.

¹ CORAM NOBIS. Before us ourselves, (the king, i. e., in the king's or queen's bench.) Applied to writs of error directed to another branch of the same court, e. g., from the full bench to the court at nisi prius. 1 Archb. Pr. K. B. 234.

² MANDAMUS Lat. We command. This is the name of a writ (formerly a high prerogative writ) which issues from a court of superior jurisdiction, and is directed to a private or municipal corporation, or any of its officers, or to an executive, administrative or judicial officer, or to an inferior court, commanding the performance of a particular act therein specified, and belonging to his or their public, official, or ministerial duty, or directing the restoration of the complainant to rights or privileges of which he has been illegally deprived. Lahiff v. St. Joseph, etc., Soc., 76 Conn. 648, 57 A. 692, 65 L.R.A. 92, 100 Am.St.Rep. 1012.

AMENDMENT II

“A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.”

40 The legislative, judiciary and administrative powers are defined by the seven Articles of the United States Constitution which is understood in light of the capstone Bill of Rights (Prohibitions). Therefore the united states’ governments have **NO AUTHORITY TO DISARM THE PEOPLE**. Any move by any elected or appointed official from any of the three branches of government to disarm We the People is an act of War against the People. We the People Order the arrest of said elected or appointed official immediately.

45 *“Necessity is the plea for every infringement of human freedom. It is the argument of tyrants; it is the creed of slaves.” -- William Pitt the Younger*

"They that can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety." -- Benjamin Franklin³

50 **DISARMAMENT IN THE NAME OF INTERNATIONAL SECURITY**

ACTS OF TREASON;

On September 25, 2013 in an act of war against the unalienable rights of the People protected by Amendment II, against the will of We the People and without the consent of Congress, Secretary of State John Kerry committed treason by signing the United Nations Arms Trade Treaty thereby surrendering the Peoples’ unalienable rights protected by the Amendment II to foreign powers, inimical to liberty.

On September 24, 2014 while addressing the U.N. General Assembly concerning the United Nations Arms Trade Treaty; in an act of war against the unalienable rights of the People protected by Amendment II, against the will of We the People President Obama said: *"All nations must meet our responsibility to observe and enforce international norms"* thereby yielding his oath of office to foreign powers.

60 On December 24th 2014, Christmas Eve, the United Nations Arms Trade Treaty became binding on the nations that have ratified (signed by John Kerry). Under fiction of law⁴ the treaty provides the basis for additional gun regulations in America under the guise of necessity.

John R. Bolton, as United States Under-Secretary for Arms Control and International Security, urged the United Nations in 2001 to recognize how an “*oppressed non-state group defending itself from a genocidal government*” will need ready access to firearms. Mr. Bolton may have been the first U.S. official in modern history to argue before the UN that private citizens might need to be armed against their own killer governments.⁶

90

Governments murdered four times as many civilians as were killed in all their international and domestic wars combined.⁷ How could governments kill so many people? The governments had the power. The people, the victims, were unable to resist, because the victims were unarmed.

95 History clearly teaches that every government that moves towards gun control ends up killing the people who disagree with it. Disarmed people are neither free nor safe; rather they become the criminals' prey and the tyrants' playthings. When people are defenseless and their government goes rogue, thousands and millions of innocents die.

WHY GOVERNMENTS DISARM PEOPLE –

"Both oligarch and tyrant mistrust the people, and therefore deprive them of arms." Aristotle⁸

105 "When the resolution of enslaving America was formed in Great Britain, the British Parliament was advised by an artful man [Sir William Keith], who was governor of Pennsylvania, to disarm the people; that it was the best and most effectual way to enslave them; but that they should not do it openly, but weaken them, and let them sink gradually, by totally disusing and neglecting the militia." George Mason⁹

"Before a standing army can rule, the people must be disarmed, as they are in almost every kingdom in Europe. The supreme power in America cannot enforce unjust laws by the sword, because the whole of the people are armed, and constitute a force superior to any band of regular troops," Noah Webster¹⁰

110 "Every Communist must grasp the truth, 'Political power grows out of the barrel of a gun'" Mao Tse-tung¹¹

"The most foolish mistake we could possibly make would be to permit the conquered Eastern peoples to have arms. History teaches that all conquerors who have allowed their subject races to carry arms have prepared their own downfall by doing so". Hitler¹²

115 In a radio interview with Walton and Johnson, January 17, 2013 Ron Paul said: "They will come with their guns to take our guns." In 1962 President John F. Kennedy said "Those who make peaceful revolution impossible will make violent revolution inevitable"¹³. He went on to say: "Today we need a nation of minute men; citizens who are not only prepared to take up arms, but citizens who regard the preservation of freedom as a basic purpose of their daily life and who are willing to consciously work and sacrifice for that freedom."

120

The Sheriff alone is responsible to maintain Law and Order in the county and to work with other county Sheriffs across the state and across the nation to do the same. If the Sheriff permits the suspension of the US Constitution in his county, then Liberty will be lost forever and he too then wars against the People.
